NAND Flash Wafer Price

Starting from Q4 of 2015, DRAMeXchange will begin to cover the contract prices for TLC-Wafers and starting from Q2 of 2016, we will also begin to cover the contract prices for MLC-Wafers, which will be negotiated on a monthly basis between the NAND Flash industry's suppliers and module makers. We will be providing updates each month to ensure members receive the most accurate and timely information.

*TLC wafer spot price had been published since 2019/01/14.

We do ensure members receive the most accurate and timely information.

NAND Flash Wafer Price Service covers as below :

- I TLC Wafer Spot Price (Weekly updated)
 - I Normal member has a week lag relatively
- I Wafer Contract Price (Monthly updated)

Wafer Spot Price <small>MORE</small>		Last Update: Jan.14 2019 14:20 (GMT+8) <Price Notice>																																																																	
Item	Biweekly High	Biweekly Low	Session High	Session Low	Session Average	Average Change	History
